PRESS RELEASE

TAYLOR DEVICES ANNOUNCES STRONG FOURTH QUARTER AND FULL YEAR RESULTS

NORTH TONAWANDA, NY, AUGUST 27, 2015 – Taylor Devices, Inc. (NASDAQ SmallCap: “TAYD”) announced today that it had sales for the 4th quarter of \$10,766,451, up sharply from last year’s 4th quarter sales of \$5,303,755. Sales for the full year were \$30,589,266, an all-time record and also up significantly from last year’s level of \$20,011,228.

Net earnings for the 4th quarter were \$886,575, more than double last year’s 4th quarter profit of \$401,290. Net income for the full fiscal year was \$2,174,948, also up substantially from last year’s full fiscal year net income of \$1,131,212.

“It is reasonable to say that this last year has been a very good year.” stated Douglas P. Taylor, President. He continued, “To have added over \$10 million in sales while maintaining our firm order backlog at \$25.2 million, up slightly from the \$24.6 million level reported one year ago, is quite impressive.” He concluded, “We anticipate that this next year will be another good year, as well.”

Taylor Devices, Inc. is a 60 year old company engaged in the design, development, manufacture & marketing of shock absorption, rate control and energy storage devices for use in various types of vehicles, machinery, equipment & structures. The company continues to achieve growth in the developing seismic protection field and in the isolation of wind-induced vibrations.
