General

Each year directors comprising one of the three Classes of the Board of Directors of the Company are proposed for election by the shareholders, each to serve for a three-year term, or until the election and qualification of his successor. The Board of Directors, acting upon the recommendation of the Nominating Committee, is responsible for nominating Messrs. Taylor and Clark as management's nominees to be elected to Class 3 at this Annual Meeting for terms expiring in 2019. The candidates have previously served as directors and were elected at prior annual meetings of shareholders.

The persons named on the enclosed form of proxy will vote all shares present at the Annual Meeting *for* the election of the nominee, unless a shareholder, by his or her proxy, directs otherwise. Should either Mr. Taylor or Mr. Clark be unable to serve, proxies will be voted in accordance with the best judgment of the person or persons acting under such authority. Management expects that both nominees will be able to serve.

The Company believes that each nominee has professional experience in areas relevant to its strategy and operations. The Company also believes that each nominee has other attributes necessary to guide the Company and help the Board function effectively, including high personal and professional ethics, the willingness to engage management and each other in a constructive and collaborative fashion, the ability to devote significant time to serve on the Board and its committees and a commitment to representing the long-term interests of the shareholders. In addition to these attributes, in each individual's biography set forth below, the Company has highlighted specific experience, qualifications and skills that led the Nominating Committee and the Board to conclude that each individual should continue to serve as a director.

CORPORATE GOVERNANCE

Board Committees and Meetings

During the fiscal year ended May 31, 2016, the Board of Directors met three times with all of the directors in attendance. All Board members traditionally attend the annual meeting, notwithstanding that the Company does not have a policy with regard to attendance. All five Board members attended the Company's Annual Meeting of Shareholders held on October 23, 2015.

The Executive Committee, between meetings of the Board of Directors and to the extent permitted by law, exercises all of the powers and authority of the Board in the management of the business of the Company. The Executive Committee is comprised of Messrs. Taylor, Hill and Newman. The Committee did not meet in fiscal 2016.

The Audit Committee represents and assists the Board of Directors with its oversight of the integrity of the Company's financial statements and internal controls, the Company's compliance with legal and regulatory requirements, the independent auditor's qualifications and independence and the performance of the Company's internal audit function and independent auditor. Except as otherwise required by applicable laws, regulations or listing standards, all major decisions are considered by the Board of Directors as a whole.

The Audit Committee, comprised of Messrs. Clark, Newman and Burgess and chaired by Mr. Burgess, is governed by an Audit Committee Charter which was revised and adopted by the Board of Directors on August 12, 2015. Mr. Burgess also serves as the Audit Committee financial expert. The Audit Committee met five times in fiscal 2016, with all members in attendance.

The Compensation Committee, comprised of Messrs. Clark, Newman and Burgess and chaired by Mr. Clark, reviews the compensation of the Company's executive officers and makes recommendations in that regard to the Board as a whole. The Committee also administers the Company's stock option plans. The Compensation Committee met twice in fiscal 2016, with all members in attendance.

The Nominating Committee, comprised of Messrs. Clark, Newman and Burgess and chaired by Mr. Clark, is responsible for identifying and evaluating individuals qualified to become Board members and recommending to the Board candidates to stand for election or re-election as directors. The Nominating Committee met twice in fiscal 2016, with all members in attendance.

Independence. Messrs. Clark, Newman and Burgess are independent directors within the meaning of Rule 5605 of the applicable Nasdaq Capital Market listing standards.

Nominating Committee

The Nominating Committee is governed by the terms of its Charter with respect to the consideration and selection of nominees proposed for election to the Board of Directors, including those recommended by shareholders.

The Criteria and Procedures.

The Company strives to have a Board of Directors which will work diligently to promote the long-term interests of the Company and its shareholders. To that end, the Nominating Committee Charter sets forth certain director qualification criteria (the "Criteria") which the Nominating Committee and the Board believes are necessary for a director of the Company to possess, and provides a description of the procedures to be followed when making a recommendation as to any nominee. So long as any individual proposed by shareholders meets the Criteria, the Nominating Committee will consider such recommendations on the same basis as other candidates. The Criteria include integrity, reputation, judgment, knowledge, independence, experience and accomplishments, board interaction, skills and long-term commitment. The Committee is required to apply the Criteria to candidates recommended by a Nominating Committee member, other directors and management, as well as to any candidate meeting the Criteria recommended by shareholders.

During the selection process, the Nominating Committee seeks inclusion and diversity within the Board and adheres to the Company's policy of maintaining an environment free from discrimination based upon race, color, religion,

national origin, sex, age, disability, sexual preference or orientation, marital status or any other unlawful factor. The Board strives to nominate directors with a variety of complementary skills so that, as a group, the Board will possess the appropriate talent, skills and expertise to oversee the Company's business.

The Nominating Committee annually reviews the requirements relating to diversity and recommends to the Board any changes it believes appropriate to reflect best practices. In addition, the Board assesses annually its overall effectiveness by means of a self-evaluation process. This evaluation includes, among other things, an assessment of the overall composition of the Board, including a discussion as to whether the Board has adequately considered diversity, among other factors, in identifying and discussing director candidates.

The Evaluation Process.

The Nominating Committee Charter also describes the process for identifying and evaluating nominees for director, including those nominated by shareholders. In each instance, the Nominating Committee must assess the Board's present and anticipated strengths and needs, based upon the Company's current and future needs. The selection of candidates is intended to provide the Board with an appropriate balance of expertise or experience in accounting and finance, technology, management, international business, compensation, corporate governance, strategy, industry knowledge and general business matters.

Management's Nominee.

Messrs. Newman and Burgess recommended both Messrs. Taylor and Clark as management's proposed Class 3 Director nominees to stand for election by shareholders at this Annual Meeting. In addition to other Criteria, any nominee recommended to fill a vacancy on the Nominating, Audit or Compensation Committee must meet independence standards set forth in of Rule 5605 of the NASDAQ Capital Market listing standards.

Nominees by Shareholders.

Shareholders of the Company may make their suggestions for a director nominee to the entire Board of Directors or to any individual director, by a submission directed to the Company's Corporate Secretary's Office. The Corporate Secretary's Office will then forward the recommendation, together with all supporting documentation, to Mr. Clark, as Chairman of the Nominating Committee. Supporting documentation must include a detailed background of the proposed candidate and demonstrate how the candidate meets the Criteria.

Recommendations should be sent c/o Corporate Secretary's Office, Taylor Devices, Inc., 90 Taylor Drive, P. O. Box 748, North Tonawanda, NY 14120-0748.

Communicating with the Board of Directors

Although the Board of Directors does not have a formal procedure for shareholders to send communications to the Board of Directors, a shareholder may communicate with the Company at its website at www.taylordevices.com/Investors.htm. The Company will relay communications to specified individual directors if an express request to do so is included in the shareholder communication.

Code of Ethics

On August 23, 2003, the Company adopted a Code of Ethics (the "Code") which is a compilation of written standards reasonably designed to deter wrongdoing and promote honest and ethical conduct. Code requirements include, among others, the preparation of full, fair, timely and understandable disclosure in documents that the Company files with and submits to the SEC; compliance with governmental laws, rules and regulations; prompt internal reporting of violations to the Code; and accountability for adherence to the Code. There have been no amendments to the Code since its adoption.

Board Leadership Structure

The positions of Chief Executive Officer ("CEO") and Chairman of the Board are both held by Mr. Douglas Taylor. The Board believes that the combined role of Chairman and CEO is the most effective leadership structure for the

Company and in the best interests of its shareholders. It serves to promote strong and consistent leadership, allowing management to speak with a single voice and delineate primary responsibility for management of the Company. The Board believes that Mr. Taylor is best suited to serve as Chairman because, as CEO, he is most knowledgeable regarding the Company's business, can best identify strategic priorities and opportunities, and thus, more effectively lead discussion at the Board level to execute the Company's strategy. The Board also believes that the combined role of Chairman and CEO facilitates the flow of information between the Board and executive management. In considering its leadership structure, the Board believes that the majority of independent directors serving on the Board, and the Company's strong corporate policies and procedures, appropriately balance the combined roles of Chairman and CEO.

Board Risk Oversight

Risk management is primarily the responsibility of the Company's management; however, the Board has responsibility for overseeing management's identification and management of those risks. The Board considers risks in making significant business decisions and as part of the Company's overall business strategy. The Board and its committees, as appropriate, discuss and receive periodic updates from senior management regarding significant risks, if any, to the Company in connection with the annual review of the Company's business plan and its review of budgets, strategy and major transactions.

Each Board committee assists the Board in overseeing management of the Company's risks within the areas delegated to that committee, and is tasked with reporting to the full Board, as appropriate. The Audit Committee is responsible for risks relating to its review of the Company's financial statements and financial reporting processes, the evaluation of the effectiveness of internal control over financial reporting, and compliance with legal and regulatory requirements. The Compensation Committee is responsible for monitoring risks associated with the design and administration of the Company's compensation programs. The Nominating Committee oversees risk as it relates to the Company's corporate governance processes. Each committee has full access to management. In addition, the Audit Committee meets regularly with the Company's independent auditors.

Employment and Change in Control Agreements

As of August 26, 2014, Messrs. Taylor, Hill and McDonough (each, an “Executive”) entered into Employment Agreements with the Company (together, the “Agreements”). By their terms, the Agreements expire on December 31, 2017, provided however, that, upon written notice given by either party to the other at least 30 days prior to the expiration date, either of the Agreements may be renewed by mutual agreement of the parties. Prior to any renewal by the Company, the Board of Directors (acting, in the case of Mr. Taylor or Mr. Hill, by a majority of its disinterested members), is required to conduct a comprehensive evaluation and review of the performance of the Executive for purposes of determining whether to renew his Agreement. Under the Agreements, Messrs. Taylor, Hill and McDonough are entitled to receive base salaries of not less than \$212,034 per year, \$166,781 per year and \$144,941 per year, respectively, together with such employee benefits and perquisites as were available to them immediately prior to August 26, 2014. The Company retains the right to terminate each Executive for “Cause,” without compensation. “Cause” is defined to include personal dishonesty, incompetence, willful misconduct, any breach of fiduciary duty involving personal profit, intentional failure to perform stated duties, willful violation of law, or willful material breach of the Agreement. If the Company terminates an Executive without cause, or if an Executive resigns because the Company has failed to appoint him to the office he currently holds, or makes any material change in his functions, duties, or responsibilities, the terminated Executive is entitled to a payment equal to the greater of the payments due him for the remaining term, or 1.2 times the average of his three preceding years’ cash compensation plus contributions to employee benefit plans. In the event of a “Change in Control,” as defined in the Agreements, followed by termination of the Executive’s employment, the Company has agreed to pay each Executive a sum equal to the greater of the payments due him for the remaining term, or 2.99 times the average of the five preceding years’ cash compensation, plus contributions to employee benefit plans, except that the sum shall be reduced to an amount that does not include an “excess parachute payment” within the meaning of Section 280G of the Internal Revenue Code. If an Executive voluntarily terminates his employment absent any Change in Control, the Agreements provide that the Executive will not compete with the Company for a period of two years in any location where the Company has made sales within the five years preceding such termination.

Indemnification Insurance for Directors and Officers

On August 24, 2016, the Company purchased a director and officer indemnification insurance policy written by the Federal Insurance Company through Chubb. The renewal was for a one year period at an annual premium of \$53,200. The policy provides indemnification benefits and the payment of expenses in actions instituted against any director or officer of the Company for claimed liability arising out of his conduct in such capacities. No payments or claims for indemnification or expenses have been made under any directors' and officers' insurance policies purchased by the Company.

The Company has entered into Indemnity Agreements with its directors and certain officers. Although the Company's by-laws and the New York Business Corporation Law (the "BCL") authorize the Company to indemnify directors and officers, neither require the directors and officers to be indemnified during the pendency of litigation or specify the times at which the Company is obligated to reimburse an indemnified person for expenses. The Indemnity Agreements provide that the Company will advance litigation expenses to the person indemnified while

the action is pending, upon the indemnified person's assurance (as required by the BCL) that the advance will be returned if the indemnified person is ultimately found not to be entitled to it.

A representative of Lumsden & McCormick, LLP will be present at the meeting, will be available to respond to appropriate questions and will have the opportunity to make a statement if he or she desires to do so.

Pre-approval Policies and Procedures

The Audit Committee has adopted a policy that requires advance approval of all audit, audit-related, tax services and other services performed by the independent auditor. The policy provides for pre-approval by the Audit Committee of specifically defined audit and non-audit services. Unless the specific service has been previously pre-approved with respect to that year, the Audit Committee must approve the permitted service before the independent auditor is engaged to perform it.

THE BOARD OF DIRECTORS RECOMMENDS THAT THE APPOINTMENT OF LUMSDEN & MCCORMICK, LLP AS THE COMPANY’S INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR THE FISCAL YEAR ENDING MAY 31, 2017 BE RATIFIED AND URGES YOU TO VOTE “FOR” THIS PROPOSAL.

PROPOSAL 3

TO APPROVE THE NON-BINDING ADVISORY RESOLUTION, APPROVING THE COMPENSATION OF THE COMPANY’S NAMED EXECUTIVE OFFICERS

The shareholders of the Company are entitled to vote at the Annual Meeting of Shareholders to approve the compensation of the Company’s named executive officers, as disclosed in this Proxy Statement. The shareholder vote on executive compensation is an advisory vote only, and it is not binding on the Company or the Board of Directors. Although the vote is non-binding, the Compensation Committee and the Board value the opinions of the shareholders and will consider the outcome of the vote when making future compensation decisions.

This vote is not intended to address any specific item of compensation but rather the overall compensation of the Company’s named executive officers and its compensation philosophy and practices as disclosed under the

“Executive Compensation” section of this Proxy Statement. Shareholders are asked to vote on the following resolution:

RESOLVED, that the shareholders of Taylor Devices, Inc. (the “Company”) approve, on an advisory basis, the compensation of the Company’s named executive officers as disclosed in the Proxy Statement for the Company’s 2016 annual meeting of shareholders pursuant to Item 402 of Regulation S-K of the rules of the Securities and Exchange Commission.

This advisory resolution, commonly referred to as a “say-on-pay” resolution, is non-binding on the Board of Directors. Although non-binding, the Board and the Compensation Committee will review and consider the voting results when making future decisions regarding the company’s executive compensation.

**THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS
A VOTE “FOR” THE RESOLUTION.**

PROPOSAL 4

**TO DETERMINE, BY A NON-BINDING ADVISORY VOTE,
THE FREQUENCY OF FUTURE ADVISORY VOTES ON THE COMPENSATION
OF THE COMPANY’S NAMED EXECUTIVE OFFICERS**

SEC rules require that the Company include in the proxy materials an advisory resolution subject to a non-binding shareholder vote to approve the compensation of the named executive officers. The approval of this resolution is included as the preceding Proposal 3 in this Proxy Statement. The rule also requires that we enable the shareholders to vote to approve, on an advisory (non-binding) basis, the frequency (one, two or three years) with which the non-binding shareholder vote to approve the compensation of the named executive officers should be conducted. In accordance with such rules, the Company is requesting that shareholders vote to advise whether this non-binding shareholder vote to approve the compensation of the named executive officers should occur every one, two or three years, or abstain.

The Board believes that a non-binding advisory shareholder vote on executive compensation should occur every three years. A triennial vote will provide the Board time to obtain information on shareholders’ views of the compensation of the executive officers. It will also provide the Board and Compensation Committee with sufficient time to implement any appropriate changes to the executive compensation program.

Accordingly, the Company is giving shareholders an opportunity to cast an advisory vote to determine the frequency of future advisory votes on executive compensation. When voting on this proposal, shareholders may indicate whether they would prefer an advisory vote every one, two or three years.

**THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS
THAT THE SHAREHOLDERS VOTE "FOR" 3 YEARS ON THIS PROPOSAL.**

GENERAL INFORMATION

Voting

Under the Business Corporation Law of New York (“BCL”) and the Company’s By-laws, the presence, in person or by proxy, of a majority of the outstanding common shares is necessary to constitute a quorum of the shareholders to take action at the Annual Meeting. The shares which are present or represented by a proxy will be counted for quorum purposes regardless of whether or not a broker with discretionary authority fails to exercise discretionary voting authority (a “broker non-vote”) with respect to any particular matter.

A nominee standing for election must be elected by a plurality of votes cast at the Annual Meeting, and if elected, serve in the class of directors to which he is elected. Withheld votes and broker non-votes will have no effect on the vote for a nominee.

Any other actions properly brought before the meeting, including Proposal 2, ratification of Lumsden & McCormick, LLP as the Company’s independent registered public accounting firm for the fiscal year ending May 31, 2017, Proposal 3, approval of non-binding advisory resolution approving compensation of the Company’s named executive officers, and Proposal 4, non-binding advisory vote on frequency of future advisory votes on the compensation of the Company’s named executive officers, requires a majority of the votes cast at the meeting by shareholders entitled to vote. Abstentions will have the same effect as a vote against the action. Broker non-votes will have no effect on the vote upon the action.

For voting purposes, all proxies marked “for,” “against,” “abstain,” or “withhold authority” will be counted in accordance with such instruction as to each item.

Expenses

The expenses of this solicitation, including the costs of preparing and mailing this Proxy Statement and accompanying material, will be borne by the Company. The Company has retained the services of Regan & Associates, Inc. to assist in the solicitation of proxies under a contract providing for payment of \$6,000, including out-of-pocket expenses. In addition to solicitations by mail, Regan & Associates, Inc. and regular employees of the Company may solicit proxies in person, by mail or by telephone, but no employee of the Company will receive any compensation for solicitation activities in addition to his or her regular compensation. Expenses may also include the charges and expenses of brokerage houses, nominees, custodians and fiduciaries for forwarding proxies and proxy materials to beneficial owners of shares.

Shareholder Proposals for the 2017 Annual Meeting

Procedures for a nomination by a shareholder for election as a director are described under “*Nominees by Shareholders*” on page 8 of this Proxy Statement.

Proposals of shareholders intended to be presented to the year 2017 Annual Meeting of Shareholders must be received by the Secretary of the Company prior to May 13, 2017 for inclusion in the Proxy Statement and form of proxy. Shareholders wishing to propose a matter for consideration at the 2017 Annual Meeting of Shareholders must follow certain specified advance notice procedures set forth in the Company’s by-laws, a copy of which is available upon written request to: Reginald B. Newman II, Secretary, Taylor Devices, Inc., 90 Taylor Drive, P.O. Box 748, North Tonawanda, New York 14120-0748.

The by-laws designate procedures for the calling and conduct of a meeting of shareholders, including, but not limited to, specifying who may call the meeting, what business may be conducted, the procedures with respect to the making of shareholder proposals, and the procedures and requirements for shareholder nomination of directors.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Exchange Act requires the Company's executive officers, directors and controlling shareholders to file initial reports of ownership and reports of changes of ownership of the Company's common stock with the Securities and Exchange Commission and the Company. Based solely on a review of Forms 3, 4 and 5 furnished to the Company during the 2016 fiscal year, all reporting persons filed the required forms in accordance with the provisions of Section 16(a).

Financial and Other Information

The financial statements of the Company for the fiscal year ended May 31, 2016 are contained in the Company's 2016 Annual Report which accompanies this Proxy Statement.
